> Presented by: Yaga Smart – Expert Early Childhood Consultancy Email: admin@yagasmart.com.au Phone: 0406 134 682 @Website: yagasmart.com.au

Proposal Overview

This proposal outlines exclusive opportunities for your early childhood centre/s to enhance their literacy and numeracy programs through expert support, tailored strategies, and ongoing guidance.

We offer both subscription-based and one-time service options to meet the diverse needs of your centre.

STRENGTHENING LITERACY & NUMERACY - PROFESSIONAL DEVELOPMENT FOR YOUR CENTRE'S EDUCATORS

Embedding Literacy & Numeracy Seamlessly in Early Learning

How can educators seamlessly integrate literacy and numeracy into play, routines, and cultural traditions in a way that is engaging, developmentally appropriate, and aligned with the EYLF?

At Yaga Smart, we provide evidence-based, practical strategies that help educators confidently embed literacy and numeracy into daily practice. Our approach honours play, inquiry-based learning, and supports confident, capable learners—while helping centres meet and exceed EYLF and NQS standards.

Our Literacy and Numeracy Professional Development is:

- Designed by an Expert: Developed and delivered by an early childhood teacher & trainer (Cert IV TAE)
- Hands-On & Practical: Research-backed strategies that educators can apply immediately
- Fully Aligned with EYLF & NQS: Seamlessly integrates into daily routine

Sessions Available:

Enhancing Literacy in Early Childhood (Educator PD-2 hours)
 Enhancing Numeracy in Early Childhood (Educator PD-2 hours)
 Bundle Literacy & Numeracy (Educator PD-4 hours)
 Subscription-based Ongoing Expert Support & Coaching (48 weeks)

P Online and offline sessions (Sydney metro only)

Stand out as a leader with a structured, research-backed program !

Enhancing Numeracy – Program Overview

Delivery Mode: Online or in-person (Sydney Metro only)

Duration: 2 Hours (2-hour professional learning + resources for educators)

Cost: \$499 incl. GST per session (for up to 20 participants, \$20 incl. GST for every additional participant) **Bundle Offer (most popular):** \$450 incl. GST per session when booked together with the Literacy Session.

Facilitator: Early Childhood Teacher, Experienced Trainer & Assessor

What Will Be Delivered?

✓ Numeracy for All Learners – Explore how numeracy aligns with EYLF and supports school readiness for all children, including those of diverse abilities, culturally and linguistically diverse backgrounds, and Aboriginal and Torres Strait Islander children in respectful and meaningful ways.

✓ Exploring Number, Patterning, Measurement & Space – Develop a deeper understanding of foundational mathematical concepts and how they support children's problem-solving, reasoning, and spatial awareness.

✓ Play-Based, Child-Centred & Intentional Teaching Strategies – Discover evidence-based activities to embed numeracy into daily routines.

✓ Growth Mindset in Numeracy – Develop an approach to fostering mathematical confidence, reasoning, and flexibility in children.

✓ Assessing & Documenting Numeracy Development – Simplify observations and track children's progress using practical, time-saving methods.

✓ Engaging Families & Communities in Numeracy – Build stronger home-centre connections to support children's mathematical development.

Enhancing Literacy – Program Overview

Delivery Mode: Online or in-person (Sydney Metro only)

Duration: 2 Hours (2-hour professional learning + resources for educators)

Cost: \$499 incl. GST per session (for up to 20 participants), \$20 incl. GST for every additional participant)

Bundle Offer: \$450 incl. GST per session when booked together with the Numeracy Session **Facilitator:** Early Childhood Teacher, Experienced Trainer & Assessor (Cert IV TAE)

What Will Be Delivered?

✓ Literacy for All Learners – Explore how literacy aligns with EYLF and supports school readiness for all children, including those of diverse abilities, culturally and linguistically diverse backgrounds, and Aboriginal and Torres Strait Islander children in respectful and meaningful ways.

✓ Oral Language & Speaking Development – Learn how to foster oral language skills through socio-dramatic play, role-play, and storytelling.

✓ Phonological Awareness & Vocabulary – Introduce phonological awareness based on rhyming games, alliteration activities, and syllable counting to build strong early literacy foundations.

✓ **Pre-Writing & Emergent Writing** – Explore fine motor skill activities that prepare children for successful writing.

✓ Assessing & Documenting Literacy Development – Simplify observations, assessment, and tracking progress with practical tools for creating individual observations.

✓ Engaging Families & Communities in Literacy – Build home-centre literacy partnerships, incorporating culturally responsive practices and diverse storytelling traditions.

YAGA SMART How we compare to others

Key Features	Some External Literacy & Numeracy Programs in the Market	Our Literacy & Numeracy Program
EYLF & NQS	Most programs align with EYLF and NQS	✓ Fully aligned with EYLF and NQS
Ongoing Support & Progress Tracking	X Most programs are one-off training workshops	Weekly live 30-minute sessions (Subscription Only).
Live & Interactive vs. Generic Webinars	X Many programs rely on generic pre-recorded webinars	Live, interactive, small-group sessions tailored to your centre's needs.
* Strategies for Diverse Learners	⚠ Some programs offer general differentiation	✓ Includes specific strategies for children who need extra support and gifted & talented learners.
☆Embedding Aboriginal Perspectives	⚠ Some programs include Aboriginal perspectives	Integrated Aboriginal knowledge into both literacy and numeracy
Family Engagement	⚠ Parent engagement is often optional or minimal	✓ Dedicated support on how to communicate children's literacy & numeracy progress to families
Cost- Effectiveness	X Many programs require separate payments per session or per participant	Ongoing guidance at a fraction of the cost of multiple individual workshops.

What Educators Are Saying

The training was incredibly practical and engaging. Our educators now feel more confident embedding numeracy in everyday play!"
— Jane D., Centre Director

I highly recommend Olga at Yaga Smart for anyone in the childcare industry looking to elevate their service to the highest standard. As a professional childcare consultant, she brings a wealth of knowledge and experience in guiding services towards excellence. Her dedication and passion for early childhood education are truly inspiring.

Olga's approach is not only professional but also deeply genuine—she genuinely cares about the success of your business and the quality of care provided to children. Her training sessions are insightful, practical, and transformative, equipping teams with the skills and confidence needed to exceed industry standards.

What sets Olga apart is her honesty, determination, and commitment to delivering real results. She works tirelessly to ensure services are compliant, well-structured, and thriving"

-Asif H., Owner of two Centres
